We require that all horses be treated with kindness, respect and compassion and should never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents must use reasonable care in the handling and treatment of their horses whether owned or placed in their care for competition or for any other purpose. At all times while the horse is on the showgrounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of USEF which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 which defines the USEF's policy on abuse and GR803 which pertains to the use of whips, will be strictly enforced. No poling, use of a bamboo off-set, or excessive use of the whip will be tolerated. Any handling and veterinary treatment should ensure their health and welfare. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision should be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject under the above rules to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.
